RESOLUTION #62 NYCLASS Investment funding was approved and contract signed

ZONING/PLANNING: Gene just gave a reminder of the upcoming meeting on Wed November 19th at 7PM where a woman from Oneida County will be coming to discuss our current zoning etc and they would like someone from our board to also be present and ask any questions that they may have. Gene also mentioned that apparently Tom VanDenbergh is doing something with property over on Mason Rd and there has been no permit etc so Dan Ford will be notified to go over and place a Stop work order and find out what is going on.

The Village of Waterville has submitted a contract for the water district that they want signed and everyone discussed and will wait for more information and also request the Village to attend our meeting in February to discuss further.

TOWN CLERK: Joanne let the board know that there have been problems with coming in and finding the courtroom door ajar with no reason as it is fully locked upon her leaving on her work days. Fredericks will have Kevin Kelley look into if it needs new locks or a new door etc. Upon leaving the meeting Joanne went next door and found the door ajar again and showed it to Fredericks and the both of them tried to get it to lock securely.
