**PURPOSE:** *It is the purpose of this law to protect and promote the public health, safety and general welfare by eliminating avoidable false fire and burglar alarms and thereby ensuring that fire and police facilities and personnel will be available for actual emergencies. False alarms unnecessarily drain resources and require emergency responses which contribute to increased accident rates and which delay responses to real emergencies.*

**APPLICABILITY:** *This law applies to all installed fire and burglar alarms which are directly connected to the police or fire agency or to a private agency which, in turn, makes a connection to a police or fire agency or to no agency but merely sounds an alarm on the premises, each installed alarm having the purpose of notifying police and/or fire agencies or others that an emergency exists at the site of such installed alarm requiring an immediate response from police or fire agencies.*

**DEFINITIONS:** *As used in this law the following terms shall have the following meanings:*

**False Alarm:** *Any alarm reported or received by a local police or fire agency from an installed alarm which is caused by improper installation of the system, by a mechanical failure or malfunction of the system or is due to negligence on the part of the owner user, custodian or other person responsible for the installed alarm. *INSTALLED ALARM: Any mechanical or electrical device installed in a building or on premises for the purpose of automatically notifying, directly or indirectly, police and/or fire agencies or sounding an alarm when a break-in or fire occurs and used for the purpose of summoning help from police or fire agencies.*

- A. Effective immediately a permit is required for the installation and/or operation of any installed alarm which serves to alert, either directly or indirectly, the police and/fire department. - C. Applications received by the Town Clerk shall be deemed confidential and shall not be disclosed, except as provided by law.*

*FALSE ALARMS PROHIBITED; PENALTIES FOR OFFENSES.*

Any person who fails to obtain Permits and Fees hereof relating to the failure to obtain a permit for the installation and/or operation of an installed alarm shall be deemed guilty of a violation and, upon conviction thereof, shall be punishable by a fine as set forth in Chapter 1, Article "1-14, General Provisions. Each day's continued violation shall constitute a separate violation. "*
